

BONUS APPLICATION POLICY

The below terms and conditions ("Bonus Terms and Conditions") shall apply to all Bonuses, Trade Refunds, any type of special offer or promotion ("Bonus" or "Bonuses") that may be granted by Globally-Investments Limited (the "Company") to a client. This Bonus Application is subject to the Company's general "Terms and Conditions" (the "T&C") appearing on the Company Website: www.globally-invest.com By signing below, you (the "Client") hereby irrevocably accept and agree to the Bonus Terms and Conditions.

General Terms

1. In order for any and all Bonuses and/or offers to become applicable and accepted by the Company, the Client must comply with the specific Bonus Terms and Conditions (For example: a Client may be required to make a minimum deposit).
2. All bonuses are subject to trading requirements, which require your total trades to be of a particular value, in order to be able to withdraw bonus funds and any profit associated with them.
3. Unless stated otherwise, in writing on the Company's Site, it shall be a standard term of any and all Bonuses that in order to make a withdrawal of the Bonuses received by the Client, and the profits generated from these Bonuses, the client will be required to have a total volume, since receiving the Bonus, of at least 20,000 the amount of the bonus ("Total Contract Threshold").
4. For the avoidance of any doubt, the above-mentioned calculation method shall comply with the following example:
Bonus * 20,000 = Total contract Threshold, which shall allow the Client to perform the withdrawal of the Bonus amount. Each bonus requires you to reach a trading volume of 20,000 in order for it to be withdrawable. For example: (Bonus 1 + Bonus 2) * 20,000 = Total contract Threshold.
5. Before the Total Contract Threshold is reached, the Client will not be able to withdraw from the Trading Account the Bonus amount and the profit amount generated by the Bonus in the account. For example:
Example A: the Client deposited to the account Bitcoin in the value of \$1,000 and made a profit of additional \$1,000. Then, the Client received a Bonus in the amount of \$2,000 and made a profit of \$3,000.
The Client will be able to withdraw \$2,000 (\$1,000 deposit + \$1,000 profit prior to Bonus) before reaching the Total contract Threshold.
The Client will be able to withdraw the remaining \$5,000 (\$2,000 Bonus+\$3,000 profit generated from Bonus) only after reaching the Total contract Threshold.
Example B: the Client deposited to the account Bitcoin in the value of \$1,000, made a profit of additional \$1,000 and lost \$2,000. Then, the Client received a Bonus in the amount of \$2,000 and made a profit of \$3,000.

The Client will only be able to withdraw \$5,000 (\$2,000 Bonus+\$3,000 profit generated from Bonus) after reaching the Total contract Threshold.

6. Withdrawals shall be made in accordance with the T&C and the Company's Withdrawal Policy.

7. In the case that you have no deposit funds in your trading account, you solely hold bonus funds in your trading account, and you fail to execute a trade with the bonus funds for a period of 90 days, the bonus funds in your account shall be forfeited to the Company without prior notice and without the option to request a refund
